

Dr. Cameron Zealand

Candidate Biography

Dr. My name is Dr. Cameron Zealand and I am a practicing Pediatric Dental Specialist in the Calgary District.

I grew up in Winnipeg, Manitoba and attended the University of Manitoba graduating with a Bachelor of Science in Engineering (Civil) in 1995 and a Master of Science in Engineering (Civil) in 1997. Upon graduation, I made my way out west to Calgary, Alberta where I began to work as a Field Engineer in Oil and Gas with Schlumberger Oilfield Services. I was transferred to Grande Prairie, Alberta where I continued to work until my transfer to New Orleans, Louisiana USA in 2000.

In 2002, I moved back to Winnipeg to attend the University of Manitoba Faculty of Dentistry where I received a dual degree of Bachelor of Science in Dentistry (2006) and a Doctor of Dental Medicine (DMD) (2006). Upon graduating, I was accepted to the University of Michigan Faculty of Dentistry and the Rackham Graduate School in Ann Arbor, MI to complete my specialty training in Pediatric Dentistry. In 2008, I graduated from the University of Michigan with my Certificate in Pediatric Dentistry and a Master of Science (Pediatric Dentistry).

Upon graduation, I moved back west to Calgary, Alberta to begin my practice in Pediatric Dentistry. I have been an Associate, Partner and now a Sole Owner/Practitioner in my practice at North Calgary Pediatric Dentistry.

I am married to my best friend, Tammy and together we have 15 year old twins, our son Tate and daughter Siena. If I am not at the practice treating the little mouths of Calgary and surrounding area, I can be found driving my kids to their sporting events around the hockey rinks and volleyball courts in Calgary.

I am looking forward to attending my Dental School Class of 2006, 20th year reunion this summer and re-connecting with classmates and colleagues.

I am excited to run for this council position in the Calgary area and serve our profession in this capacity if elected.
